Dear Student,

Welcome Aboard! Congratulations on being assigned to Field Medical Training Battalion - East (FMTB-E), Camp Lejeune, NC. Here you will receive training in either: Field Medical Service Technician (FMST) course, Field Medical Service Officer (FMSO) course, Chaplain and Religious Program Specialist Expeditionary Skills Training for Religious Program Specialist (CREST-RP) course, Chaplain and Religious Program Specialist Expeditionary Skills Training for Chaplains (CREST-CHAP) course or

Tactical Combat Casualty Care/Combat Lifesaver Trainer (TCCC/CLS-T) course. The leadership here at FMTB-E is committed to excellence in education. Whether your follow-on command is with a Marine Corps unit, hospital platform or other command, upon graduation you will be more technically proficient and better prepared physically to serve at your new assignment. Keep in mind all of our courses are physically demanding; therefore, you should begin a training regiment now that prepares you for success.
