

Civilian Professional Education

Civilian Professional Education (CPE) is TECOM's latest initiative to train and develop the civilian workforce. Join us monthly to delve into annual training and other topics not covered in mandatory trainings.

CPE Session 4: DoD Defense Performance Management Appraisal Program (DPMAP) and Performance Awards facilitated by Ms. Angela Blick, Labor & Employee Relations Specialist, Marine Corps Base Quantico.

DoD DEFENSE PERFORMANCE MANAGEMENT APPRAISAL PROGRAM (DPMAP) and Performance Awards

CIVILIAN (NON-SUPERVISORS) ONLY

Time: 0900-1100

DPMAP Description:

Defense Performance Management Appraisal Program (DPMAP) is a collaborative labor-management effort to improve Human Resource practices and policies in the Department of Defense (DoD). A major New Beginnings effort is the development and implementation of the enterprise-wide DoD Performance Management and Appraisal Program which will help foster a cultural change that encourages employee engagement, on-going communication, on-going employee recognition, accountability, timelines and requirements.
