

## WHAT TECOM EMPLOYEES ARE SAYING... (2018, PART II)

- What a great product Terra - thanks for all you do to produce it. (Sept/Oct 2018)
- Great work Terra - as always. (Dec 2018)
- Congrats on a fantastic, very well written Newsletter for September/October 2018. All of the articles are informative and love the pictures too. Cannot wait to see the next TECOM Connection.
- These pictures are amazing. You did a great job. I love your home engagement with your daughter and neighbors. The field trip and all. You did a great job on the whole connection & engagement. You cover a lot of pictures outside of the scope with the employee's trips. I like you put it all together. (Sept/Oct 2108)
- Hey girl! I LOVE IT! I really like being able to see peoples pic's and hear about their adventures. I like the pic's of BST and the luncheons and classes. Really good job! (Sept/Oct 2018)
- Love the TECOM Connection... (Sept/Oct 2018)
- The MAGTF T&R and Thinking articles were awesome! Good content.... (Sept/Oct 2018)
- Well done...what a great newsletter. Thanks for what you do to make TECOM more than just a place to work (Dec 2018).
- Your newsletter was the BOMB! Nice shots of you with the machine gun! And I LOVE the article from Haynie. Let me know what kind of feedback you get on this one. I sent it over to MCTOG, TBS, and our Brute Krulak Center with my comments and link to your newsletter. Thanks Terra! This really is a robust newsletter. Keep up the great work!!! (Sept/Oct 2018)
- Just wanted to let you know that the article by Dr. Haynie (page 13) was excellent. She really nailed the whole "critical thinking in the military" thing. Thanks for putting it in the newsletter. (Sept/Oct 2018)
- OUTSTANDING JOB! This was a very nice edition. Keep up the great work. (Sept 2018)
- Nice newsletter.( Dec 2018)
- People are discussing the newsletter already. They seem to really like that you are going into divisions and section and highlight people and what the divisions are responsible for. Good job again. (Feb 2017)
- Great issue Terra! BZ! (Dec 2018)
- LOOKS GREAT "Ms. Editor" .... Makes my heart smile... when I see others people take a little more effort to help you with this newsletter endeavor.... I mean it benefits all... but requires other to give a little of themselves that they don't easily provide without a push from our leaders... no worries though because the bottom line is folks read "TGE" did it her way... WAY 2 GO!!!! (Dec 2018)
- Loved the editors article, You are a very well educated woman. Keep the newsletter coming, I love them!!! (Sept 2018)
- I did review it - hopefully it's a useful story! I'm glad you're getting positive feedback. Thank you again for letting me be part of TECOM's work and it was really nice to work with you. Hopefully we'll meet one day in person! (Sept 2018)
