- I like it, Terra! Thanks for translating for my jumbled brain! Keep doing your thing. The confidence looks great on you! (June 2018)
- A dedicated mother, with razor like focus on providing the framework for your daughter to blossom emotionally and mentally as a young child. Her successes in life will sprout from the seed of love, affection and care you provide her! (June 2018)
- Thank you busy lady, I really appreciate you! (June 2018)

- I thoroughly enjoyed this edition. It kept me interested and had me laughing as well. Great information! Outstanding job! (Jan 2018)
- I thought it was really good. Let's face it everyone has been thrown under the bus. I know I have quite a few times. I thought it was very informative and very enlighten the way you gave a viewpoint from quite a few people. I commend you on posting the article. I'm sure it woke up quite a few people as to what they have done or what they are doing to an employee. Job well done!! (June 2018)
- The newsletter was really good, you are a perfectionist, well done! (April 2018)
- Sign me up for coffee w/ the SgtMaj in July. I used the G-6 section to update my turnover file. I found Fred Klauser's article on financial planning / retirement very interesting, especially as I get closer to retirement. Fred obviously did a better job of planning than I did! I thought it was helpful for Mr. Thompson to provide feedback on the TECOM survey. If you'd like, you are cleared hot to hang the 3rd Qtr MA brief on your newsletter page. I'm always looking for more ways to get the word out.
- Thank you for including Kristen, Kevin and myself in the June Newsletter.
- Thank you so much for what you do here at TECOM. Be blessed! (June 2018)
- Terra, Great job - I liked the variety of topics and overall upbeat newsletter!!!! (June 2018)
