

WHAT TECOM EMPLOYEES ARE SAYING ... (2019)

- I absolutely love the last page! (March, 2019)
- Looking REALLY good – that one article in particular (editor's corner)...definitely a work-life balanced newsletter. (March, 2019)
- Nicely done as always Terra. (March, 2019)
- It was very informative. It's nice to see what is going on at the command. (March, 2019)
- Very nicely done Terra - as always. (July, 2019)
- Read the entire newsletter, the entire July 2019 was fabulous. The wording on all stories are spot on and I thank you so much for the awesome job you do as a human and as an editor. God is going to continue to bless you and your family...thank you! (July, 2019)
- I love the Newsletter. I think what you put out there is awesome. I look forward to reading all the stories and getting to know people in TECOM through the Newsletter. Sometimes you just don't know about a person until you read about them in the Newsletter. (July, 2019)
- I enjoyed this edition and I actually read the entire newsletter! My favorite section are the Spotlight and Connections& Engagements. The Spotlight section is interesting and my top favorite because I learn things about folks I work or interact with that I never would have known. I was surprised to learn about Mr. Vandergriff's background. In my dealings with him it has always been short and work related. Knowing more about him has led to me taking time to chat "offline". I can't think of anything I would change if it was my newsletter. Keep up the great work! (July, 2019)
- Excellent work and congratulations on the success of the newsletter. Very nice work. (July, 2019)
- I enjoyed reading the newsletter, thank you for reaching out! (July, 2019)
- It looked good. Fun reading farewells to SgtMaj. (July, 2019)
- T, another good product rolling off the Terra press...the farewell piece for SgtMaj Grigsby was very personal. Great job, Terra. What is your plan to introduce the new command leadership to the TECOM family Terra-style? (July, 2019)
- If we are betting...I am betting on you! (July, 2019)
- I made sure to read the entire newsletter and feel you do an amazing job putting all of it together. There are too many facets in TECOM to necessarily cover the enterprise as a whole, though after reading the newsletter, I felt as if I knew what was going on with ALL of TECOM. You have found a good balance in making the newsletter personal and profession at the same time. There is great information in there about future events and expectations, to a very nice "who's who in the zoo" section. You should be very proud of the work you have produced/ continue to produce for all of us in TECOM to enjoy. Thank you for what you do!! (July, 2019)
